

# FJC/FHS Bus Schedule 2016-2017

Welcome to Florence City Schools! We are happy to provide bus transportation for your child, although there are some guidelines that we must follow: 1) students must live in the city limits of Florence, 2) students must live outside a 2-mile radius of a school that serves their grade, and 3) students cannot be picked up door-to-door.

Bus services are contracted through First Student Transportation Services. Their drivers have their CDL licenses and have been fingerprinted for background checks by the State of Alabama. Each bus is equipped with a video/audio camera to record the daily operations and behaviors on the bus. Good behavior is a **must** for the safety of all of the students. Their safety and well-being is the **number one** priority of the school system and First Student. Please help to insure that by reinforcing good behavior expectations with your child. Riding a school bus is a **privilege** and is not to be abused. Any student that does not follow the guidelines provided by the school and/or the bus driver may be taken off the bus by the Principal or Assistant Principal. For the safety of the students, the driver may assign seats based on a seating chart.

The bus transportation schedule below provides an estimate of morning stop times. Therefore, students should be waiting at the appropriate stop **eight to ten minutes** before the time listed for that stop. Routes and schedules are subject to change in order to better serve the needs of students. Parents and students will be given updated copies of the routes if changes become necessary. Stops are primarily located at intersections, based on the safest place to load/unload students in that area. Bus transportation is scheduled to begin on the first day of school which is **Wednesday, August 10**. Buses are equipped with Trip Number markers near the doors to help students identify the bus that serves their school.

Schedules are available on the website at [www.florencek12.org](http://www.florencek12.org) and at each school. For more information regarding the bus schedule or any busing concerns, please contact the Transportation Secretary at 256 768-3025.
