

286009

ELEMENTS OF ART LITERACY ½ Credit (Grades 9-12)

FEE: \$15.00

This course is designed for students who need a half-unit Fine Arts course but do not wish to enroll in any other course within the Fine Arts offerings. It includes a variety of hands-on experiences in the Visual Arts. *This course does not count toward the FAFA Distinction.*

286100

INTRO TO VISUAL ARTS I (Grades 9-12)

FEE: \$30.00

This course is step #1 for the visual artist as he/she explores the basics of drawing and the concepts of shape, shadow and highlight. It includes the exploration of the principles of visual art and the effect of those principles on future artistic endeavors. Students will work with a wide variety of media. This is a full-credit course for students pursuing entry into the Visual Arts in FAFA.

286400

VISUAL ARTS IV (Portfolio and Studio Art) (Grades 12)

FEE: \$30.00

Prerequisites: 6 semesters of Visual Art

This one credit course, advanced level, is focused on creating, presenting, responding and connecting drive critical thinking, meaning, reflection, production and assessment to understand how visual arts communicate ideas and allows for self-expression. Through exploration and experimentation, this course provides students with an advanced study in studio processes, art criticism, aesthetics, and art history. Students respond to personal experiences and express ideas using a variety of traditional and contemporary media while effectively applying the elements of art and principles of design to create original works of art. Safe practices and proper use of tools and materials are emphasized. The student learns the necessary ingredients of a portfolio and proceeds, with the assistance of the instructor, to create one for use in applying to college(s) of choice.

Visual Art - Fashion Design major

Grade 9	Grade 10	Grade 11	Grade 12
<i>Intro to Fashion</i> (0.5 credit)	<i>Fashion</i> (1 credit)	<i>Fashion Merchandising</i> (1 credit)	<i>Senior Pathway Project</i>
	<i>Fashion Design</i> (1 credit)	<i>Fashion Media</i> (1 credit)	<i>Visual Arts IV (Portfolio Presentation/Studio Art)/LAUNCH</i>

510042

INTRO TO FASHION ½ Credit (Grade 9)

FEE: \$15.00

This course introduces students to the selection and care of clothing and accessories for individuals and families. Content provides opportunities for students to learn about factors that influence apparel choice, current fashion trends, proper care and maintenance of apparel, and laws regarding the apparel industry. Career options in the textile and apparel industries are explored. Course content also includes learning to make quick repairs on

clothing, and ways to recycle and redesign clothes. Students assess the impact of technology on the clothing industry.

510041

FASHION 1 Credit (Grades 10-12)

FEE: \$30.00

This one-credit course is designed for students interested in the design and drawings aspects of fashion. Students will explore skills in the design and drawing of fashion croquis; style elements; figure drawing; and incorporating the nine heads of fashion illustration. Students will create wearable art, as well as, experiment with sewing and construction techniques. Students enrolled are required to participate in the annual Spring Runway Fashion Show. *This course can be used as a requirement for FAFA.*

510044

FASHION DESIGN 1 Credit (Grades 10-12)

FEE: \$30.00

Prerequisites: Fashion

One-credit course is designed for students interested in all aspects of fashion: design, construction, and apparel and textile design technology. Students research fashion designers of the past and present; experiment with textiles; design clothing and accessories; and create and sew fashions, using a variety of construction techniques. The proper sequence for students interested in completing the Fashion Program is to complete this course, alongside Fashion Design, first, then Fashion Merchandising in the second year, and Fashion Media in the third year. Students enrolled are required to participate in the annual Spring Runway Fashion Show. *This course can be used as a requirement for FAFA.*

410015

FASHION MERCHANDISING 1 Credit (Grades 11-12)

FEE: \$30.00

Prerequisites: Fashion & Fashion Design

For the fashion student this course provides advanced construction techniques and skills for students to: analyze consumer, culture and celebrity effects on fashion; research current and future trends in fashion; identify press and print process; determine e-commerce sources in the fashion industry; utilize public relations strategies; manage fashion events; utilize social media and digital design techniques, photographic styling applications and journalism skills in the fashion industry. This class is designed for students to own and operate the FAFA Fashion Monogram Shop. Students enrolled are required to participate in the annual Spring Runway Fashion Show. *This course can be used as requirement for FAFA.*

510045

FASHION MEDIA (Grade 11-12)

FEE: \$30.00

Prerequisites: Fashion, Fashion Design, & Fashion Merchandising

Students will gain experience in a variety of media concepts promoting the fashion and apparel industry. Media outlets will include fashion photography, journalism, and the social media trends such as blogging, website creation, Instagram, and Twitter. The student will refine construction techniques and skills using draping and flat pattern methods. Students will create a Fashion website promoting the FAFA Fashion Program and featuring student created apparel. Students enrolled are required to participate in the annual Spring Runway Fashion Show. *This course can be used as a requirement for FAFA.*

510069

SENIOR PATHWAY PROJECT - FASHION 1 Credit (Grade: 12)

FEE: \$30.00

Prerequisites: Fashion Design, Fashion Construction, Fashion Merchandising, & Fashion Media

This course is for students who have completed all courses in the Fashion curriculum. The student will enhance construction techniques and skills; hone fashion illustration techniques; and prepare a portfolio of their work.

Students are required to design and construct a fashion collection for the annual Spring fashion show. *This course will be offered as an elective class for FAFA students.*

Visual Art - Computer Animation major

For students wishing to pursue the Fine Arts Distinction, if Art is the Declared study, the following could be the pathway:

Grade 9	Grade 10	Grade 11	Grade 12
<i>Intro to Visual Arts</i>	<i>Computer Animation I</i>	<i>Computer Animation II</i>	<i>Computer Animation III</i>

282106

COMPUTER ANIMATION I (Moving Image Animation I) (Grades 9-12)

FEE: \$30.00

Prerequisites: Intro to Visual Arts completed or in progress

This course serves as an introduction to the world of 3-D visualization through the program Maya (the movie industry base). Students will learn the basics of modeling, texturing, and lighting that enable them to create their own environment in the computer framework.

282206

COMPUTER ANIMATION II (Moving Image Animation II) (Grades 10-12)

FEE: \$30.00

Prerequisites: Computer Animation I

Students will continue their skill levels in modeling, texturing, and lighting while beginning to learn in-depth animation skills.

282306

COMPUTER ANIMATION III (Moving Image Animation III) (Grades 10-12)

FEE: \$30.00

Prerequisites: Computer Animation II

Using what they have learned in prior classes, students will begin working on creating their own characters. Students will model, texture, rig, and animate characters learning the process from start to finish.

COMPUTER ANIMATION IV (Grades 11-12)

FEE: \$30.00

Prerequisites: Computer Animation III

This course is the culmination of the Computer Animation Strand. Students will challenge themselves, picking projects that they can use as portfolio piece. Knowledge needed to get into college with a strong portfolio will be gained as students are properly prepared for the next stage of their career.

Visual Arts - 2D Painting Major

Grade 9	Grade 10	Grade 11	Grade 12
<i>Intro to Visual Arts</i>	<i>Painting I (Introduction to 2 Dimensional Design)</i>	<i>Painting II (2 Dimensional Design II)</i>	<i>Visual Arts IV (Portfolio Presentation/Studio Art)</i>

286104

PAINTING I-INTRO TO 2 DIMENSIONAL DESIGN Full Credit (Grades 10-12)

FEE: \$30.00

Prerequisites: Introduction to Visual Arts

The focus in this specialized course is on two primary techniques: dry-brush and wet-on-wet. An advanced technique, layering, is also included. Students will explore watercolor through a variety of subject matter.

286204

PAINTING II- 2 DIMENSIONAL DESIGN II (Grades 10-12) Full Credit

FEE \$30.00

Prerequisites: Introduction to Visual Arts and Painting I

The emphasis in this course includes grisaille painting (one color), Ala Prima, using staining and glazing techniques to achieve realistic effects. *NOTE: Students supply their own canvases.*

Visual Art-3D Ceramics/Sculpture Major

Grade 9	Grade 10	Grade 11	Grade 12
<i>Intro to Visual Arts</i>	<i>Intro to 3 Dimensional Design</i>	<i>3-Dimensional Design II</i>	<i>Visual Arts IV (Portfolio Presentation/Studio Art)</i>

286105

Intro 3-Dimensional Design, SCULPTURE and CERAMICS I, full credit (Grades 10-12) FEE: \$30.00

Prerequisite: Intro to Visual Arts

In this introductory course, students utilize principles of design as they learn to work in both additive and subtractive methods. They also learn to create armatures and bases as important components of a successful sculpture. Additionally, the student enrolled in this course is introduced to creating with clay through multiple hand building techniques, and throwing on the potter's wheel. The student learns to mix and use glazes, to apply glazes and to operate a kiln. Outcomes include the creation of bowls for utility and artwork for its own sake.

286205

3-Dimensional Design II, SCULPTURE and CERAMICS II, full credit (Grades 10-12) FEE: \$30.00

Prerequisites: Intro to Visual Arts and Intro to 3-Dimensional Design

In this second year course, students continue to utilize principles of design as they learn to work in both additive and subtractive methods. They also learn to create armatures and bases as important components of a successful sculpture. Additionally, students continue to create with clay through multiple hand building techniques, and throwing on the potter's wheel. The student learns to mix and use glazes, to apply glazes and to operate a kiln. Outcomes include the creation of bowls for utility and artwork for its own sake.

Visual Arts - Photography Major

Grade 9	Grade 10	Grade 11	Grade 12
<i>Intro to Visual Arts</i>	<i>Intro to Digital Photography I (Fall Semester)</i>	<i>Digital Photography III (Fall Semester)</i>	<i>Visual Arts IV (Portfolio Presentation/Studio Art) (Full Year Course)</i>

	<i>Digital Photography II (Spring Semester)</i>	<i>Digital Photography IV (Spring Semester)</i>	
--	---	---	--

286103

INTRODUCTION TO DIGITAL PHOTOGRAPHY I (Fall) ½ Credit (Grades 10-12) **FEE: \$30.00**

Prerequisites: Introduction to Visual Arts

This digital photography course introduces the student to the basics of photography – from concept and composition to color correction and everything in between. Homework includes weekly projects and deadlines.

NOTE: Students will furnish their own cameras.

286203

DIGITAL PHOTOGRAPHY II Spring ½ Credit (Grades 10-12) **FEE: \$30.00**

Prerequisites: Introduction to Digital Photography

As the student’s skills with digital photography increase, so does the complexity of the compositions and the creative use of color. Interest grows as the student does in-depth exploration of photography’s possibilities.

Photography II students are encouraged to participate in competitions. *Students will furnish their own cameras.*

286303

DIGITAL PHOTOGRAPHY III (Fall) ½ Credit (Grades 10-12) **FEE: \$30.00**

Prerequisites: Introduction to Digital Photography I and Digital Photography II

Photography as an art form is the emphasis of this course. The student is able to use the digital camera in creative ways by studying masters of the craft and by personal experimentation. Participation in competitions is encouraged, while participation in a school-level photography show is required. *Students will furnish their own cameras.*

286403

DIGITAL PHOTOGRAPHY IV Spring ½ Credit (Grades 10-12) **FEE: \$30.00**

Prerequisites: Introduction to Digital Photography I, Digital Photography II, Digital Photography III

Students will work independently to create several bodies of work. The student continues in the Photography strand to develop in skill. *Students will furnish their own cameras.*
