Sam C. Harlan Elementary School

Vision

Tomorrow...Today!

Mission

Empower students to explore, create, challenge, innovate and lead

Beliefs

We believe learning is the primary purpose of everything we do as a school district.

We believe all students, teachers, and administrators can grow, succeed, and reach their full potential by being engaged in the learning process.

Observation & Feedback

Obiectives

- Alignment of planning, instruction, assessment, and English language Arts resources
- Alignment of Mathematics for planning, instruction, and best practices

Critical Initiatives

- Implementation of guaranteed and viable curriculum to provide explicit instructional practice
- · Improve Math instruction to achieve adequate rigor and critical thinking skills to meet high expectations of the current standards

Kev Measures

- Classroom Observations for Implementation
- Observation of Foundational Skills implementation
- · Student comprehension data Foundational Literacy
